Sarath G
Cyber Forensics and Intelligence Consultant

Summary

Sarath, an accomplished educator and cyber security consultant with over 7 years in the field, actively volunteers with Cyberdome and Kerala Police. A sought-after expert in news channel debates, Sarath excels not only in general cyber security but also in forensics and intelligence consulting. His impact is evident in training programs he conducted for officers in the Indian Navy, Military, and Air Force, where he imparted specialized knowledge in information warfare

Web Recon (Web Security Framework) : https://github.com/secretguard/web-recon
My other body of work : https://github.com/secretguard/
